

Dear River Falls Resident:

The River Falls Library Foundation was established in 1990 to serve the community of River Falls and the surrounding area to maintain the high quality of the River Falls Public Library system. The Foundation is a not-for-profit organization entirely separate from any city library funding. It was started from the estates and memorials left by benefactors to contribute direct benefits to the library system beyond what the tax dollar is able to provide.

Past Foundation gifts to the River Falls Public Library have included: annual support for the very popular children's summer reading program and adult "best seller" fiction book selections as well as card catalog computers, printers, a bar-code reader for book returns and check outs, magazine and audio cassette racks and materials for storytime. The Foundation is very proud to have also given a multimedia computer center workstation complete with encyclopedia CD-ROM reference tools and database.

It is a pleasure to invite you to JOIN OR RENEW YOUR MEMBERSHIP for a five dollar fee and share our pride in the enhancements the Foundation has been able to provide to the library.

MEMBERSHIP APPLICATION ON THE REVERSE SIDE.

Please include me as a member of the River Falls Library Foundation.
