

## How to install OverDrive & check-out ebooks on your Apple iPad

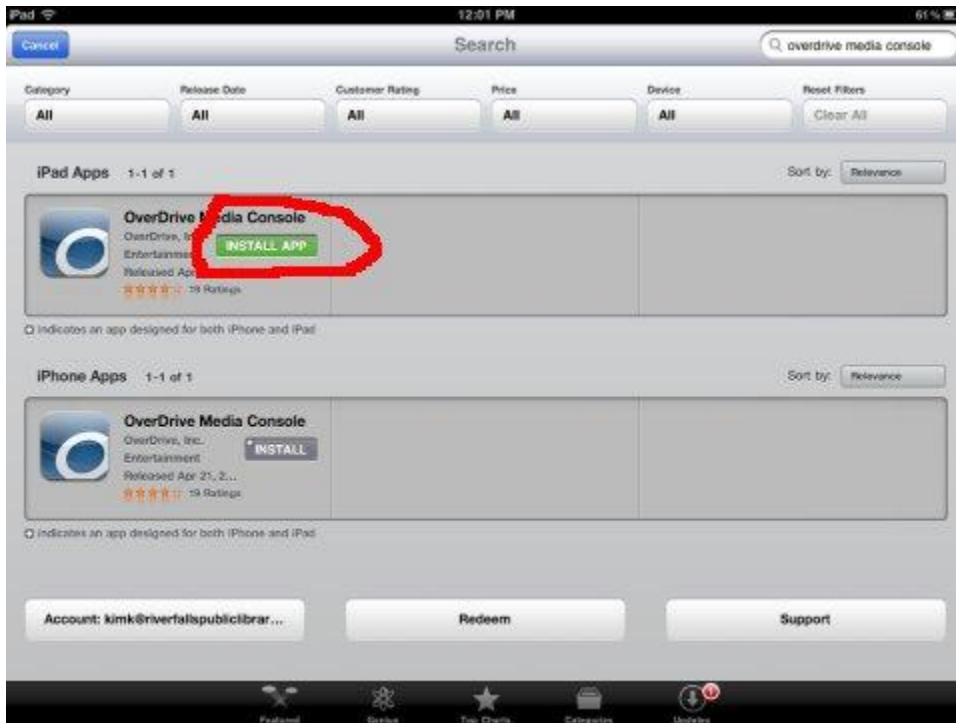

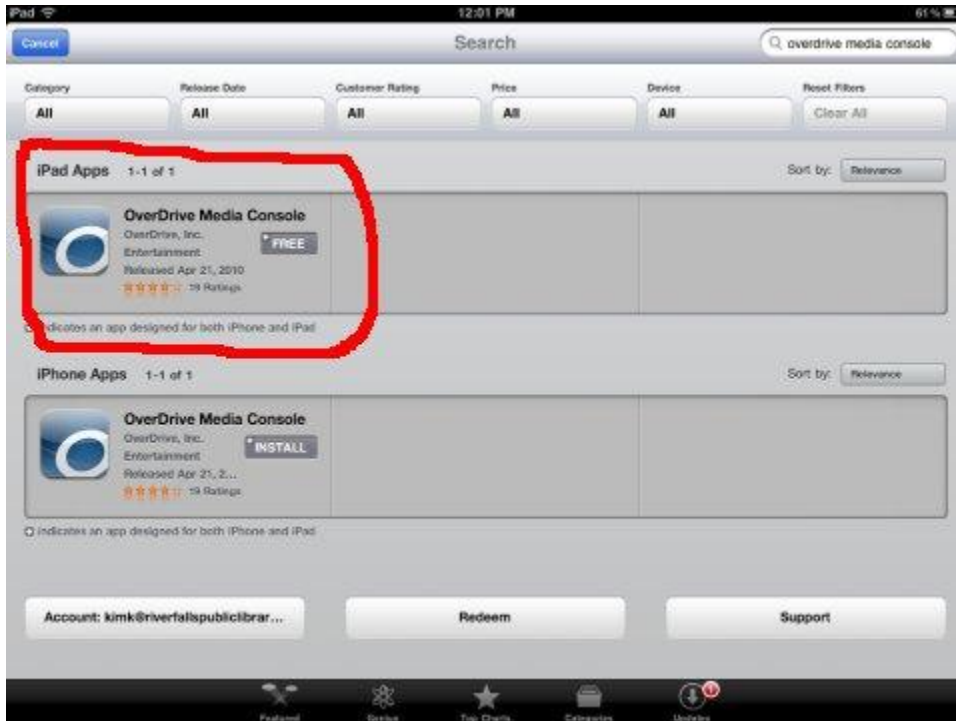

1) Go to the **App Store**.

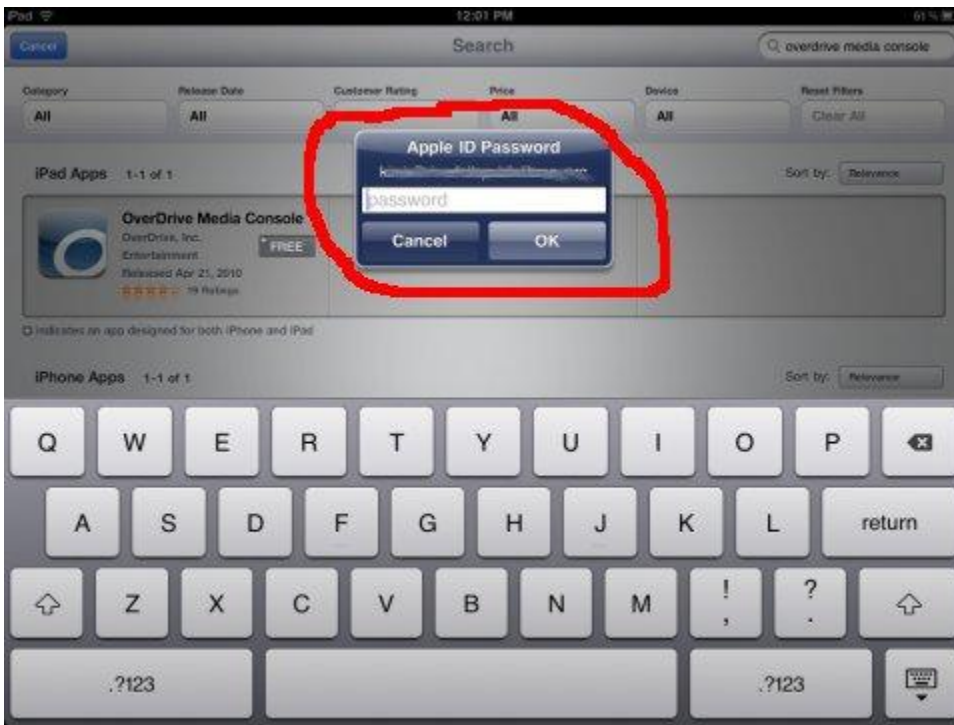

2) Search for **OverDrive Media Console**.

3) In the iPad Apps, the OverDrive Media Console will be a free app. Tap on **Free**, then tap on **Install**.

4) Enter your **Apple ID Password**, then **OK**.

5) OverDrive will begin to load on your device.

6) Open **OverDrive** when the download is complete.

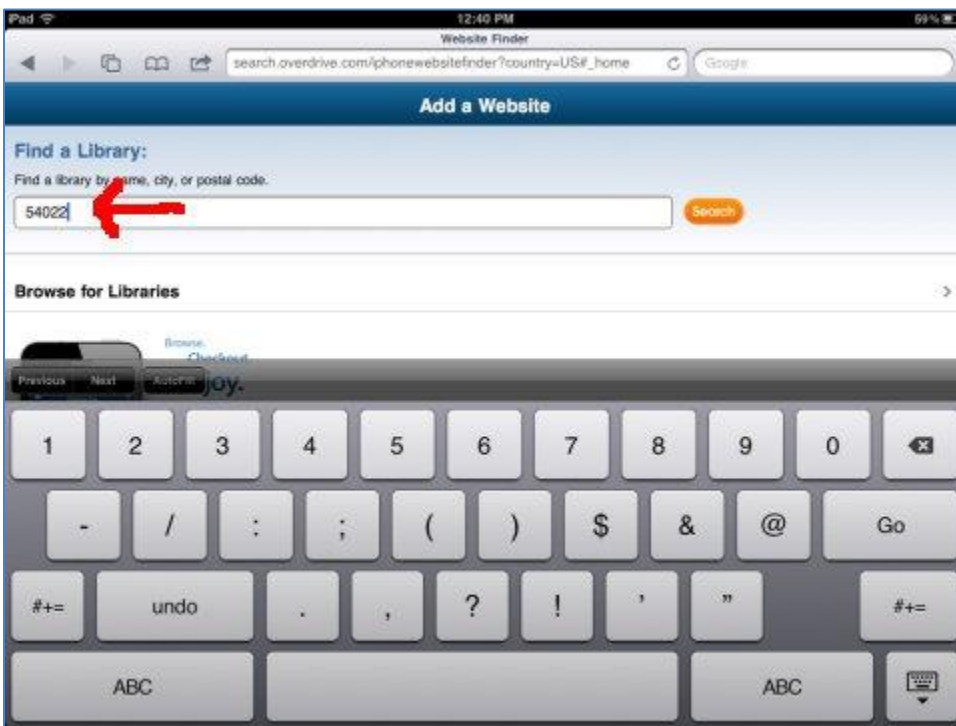

7) Tap **Get Books**.

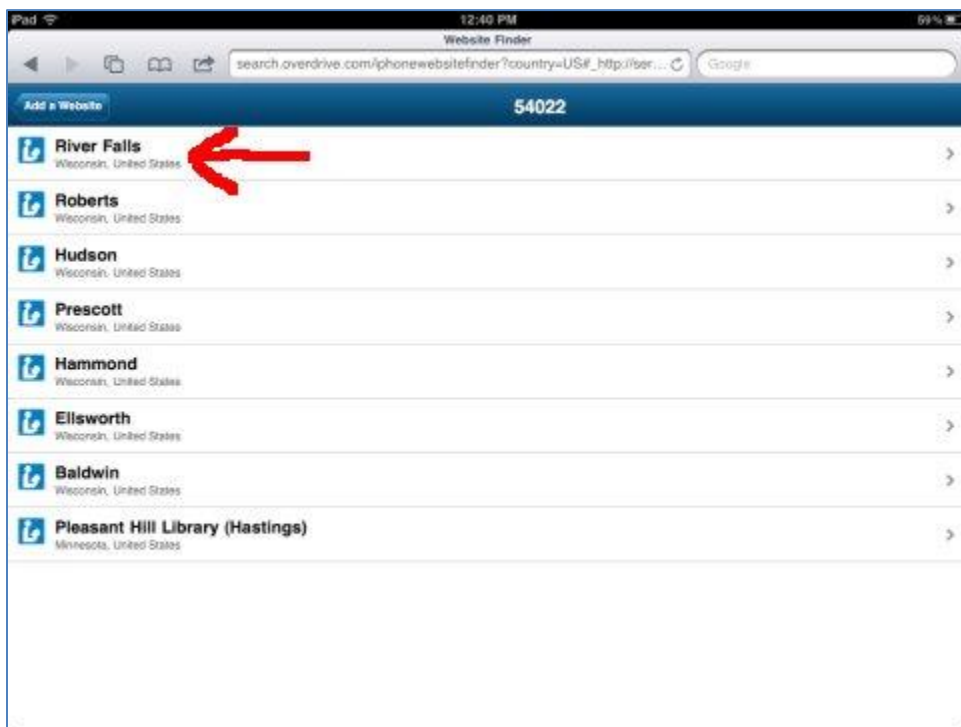

8) Tap on **Add a Website**.

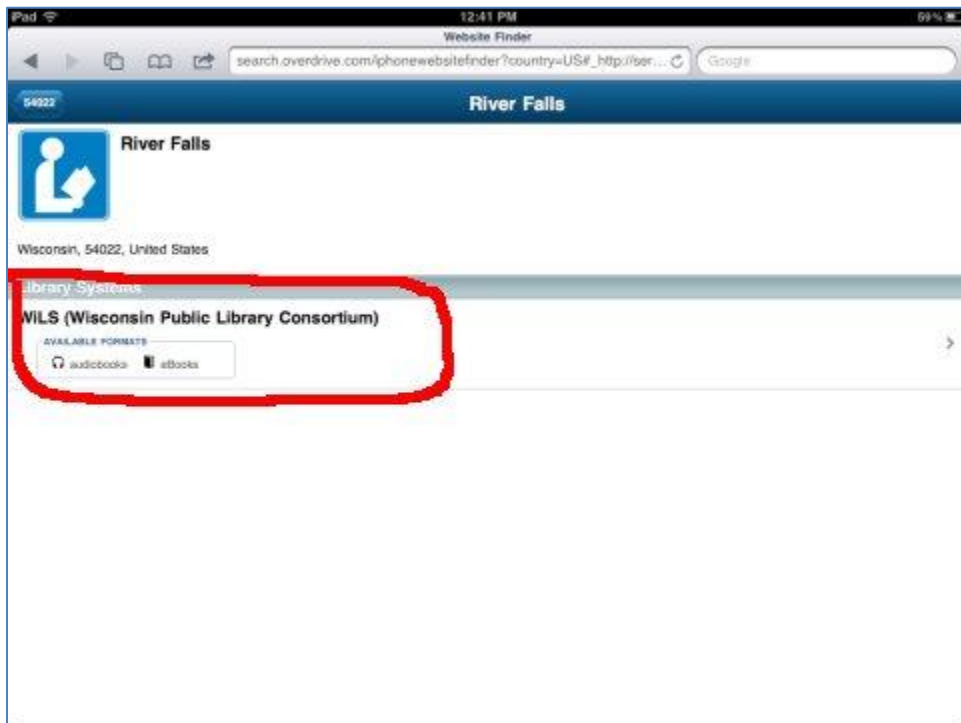

9) Enter your library by name, city or ZIP code (in this example 54022 for River Falls) and then tap **Search**.

10) Tap on your local library, in this example - River Falls.

11) Under your library name, tap **WILS** (Wisconsin Public Library Consortium).

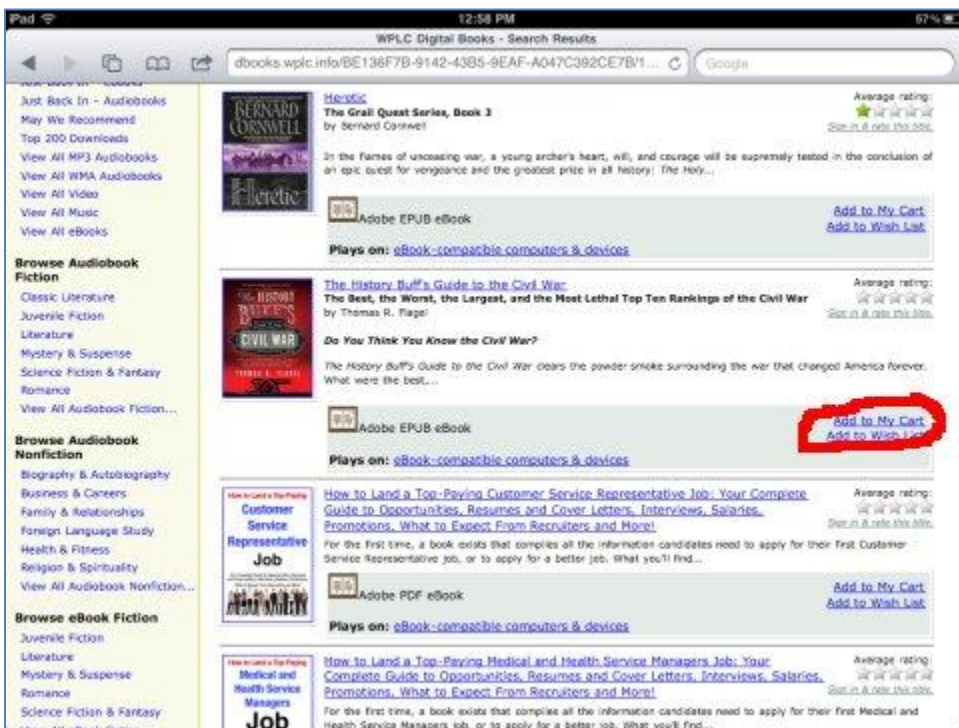

12) You will be directed to the Wisconsin Public Library Consortium website where you can search for ebooks and MP3 Audiobooks.

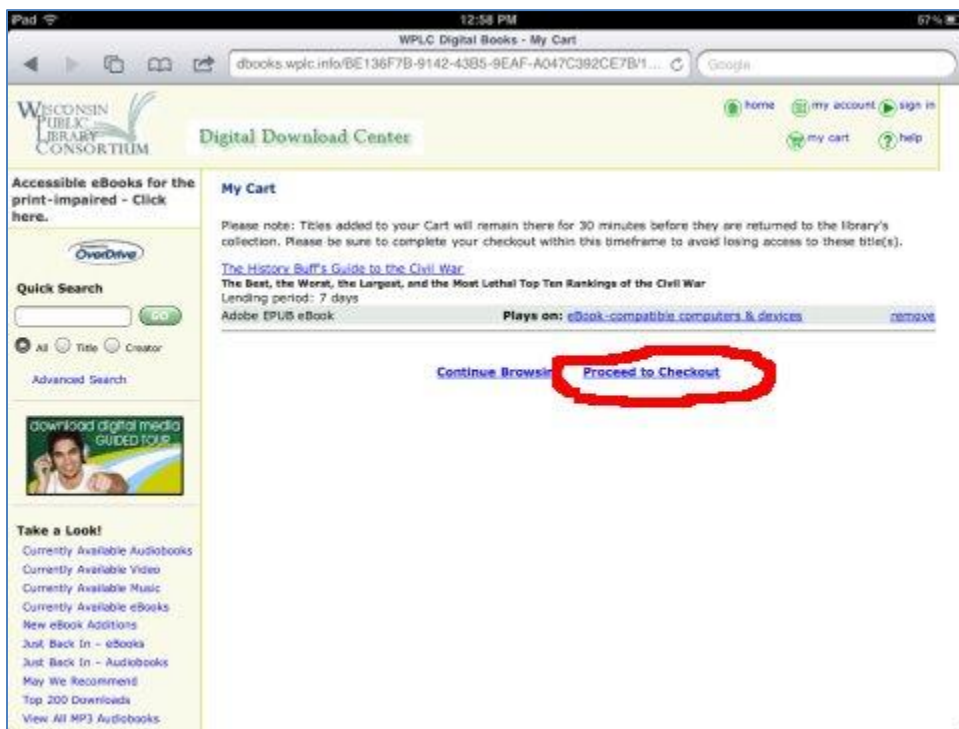

13) Tap **Currently Available ebooks** to find something available immediately.

14) When you find an available ebook you would like to checkout, tap on **Add to My Cart**.

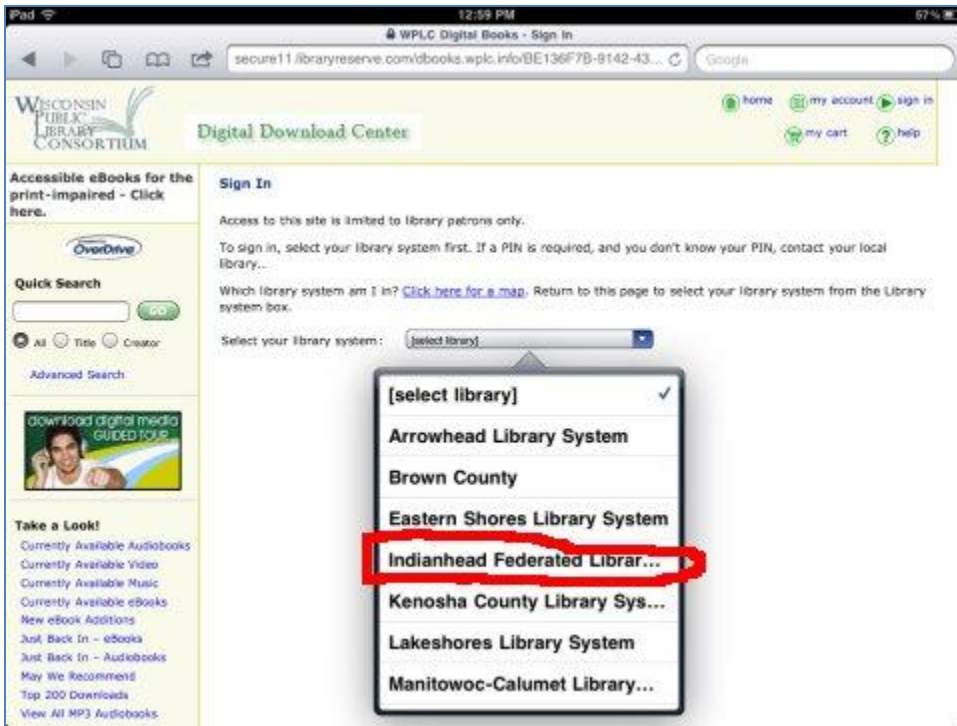

15) In your Cart, you will have the option to remove your selection. Tap on **Proceed to Checkout**.

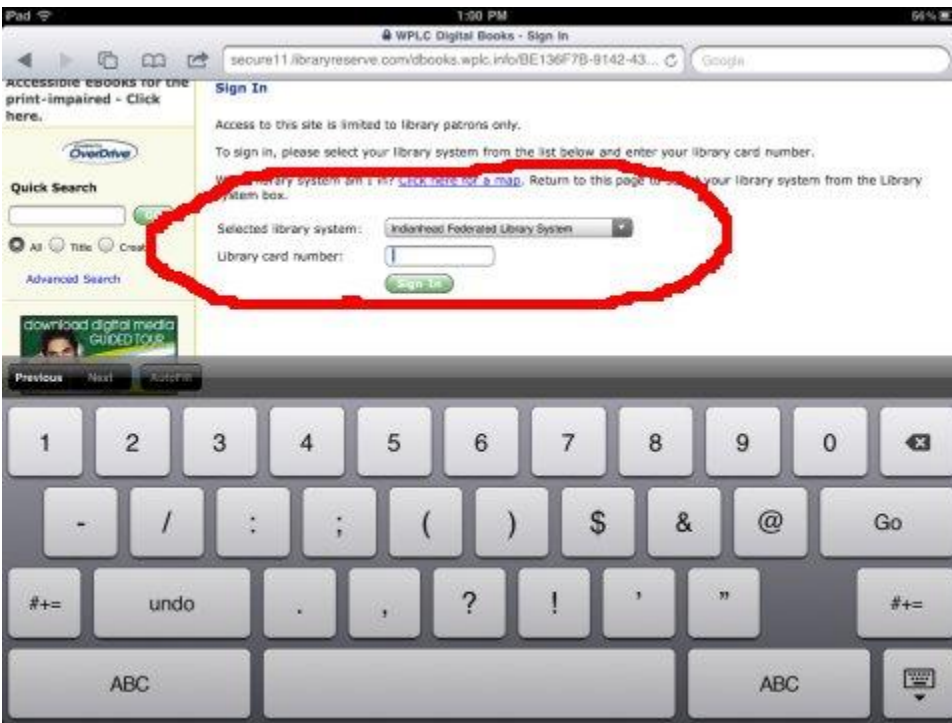

16) You will need to login. Tap on the little arrow to select your library.

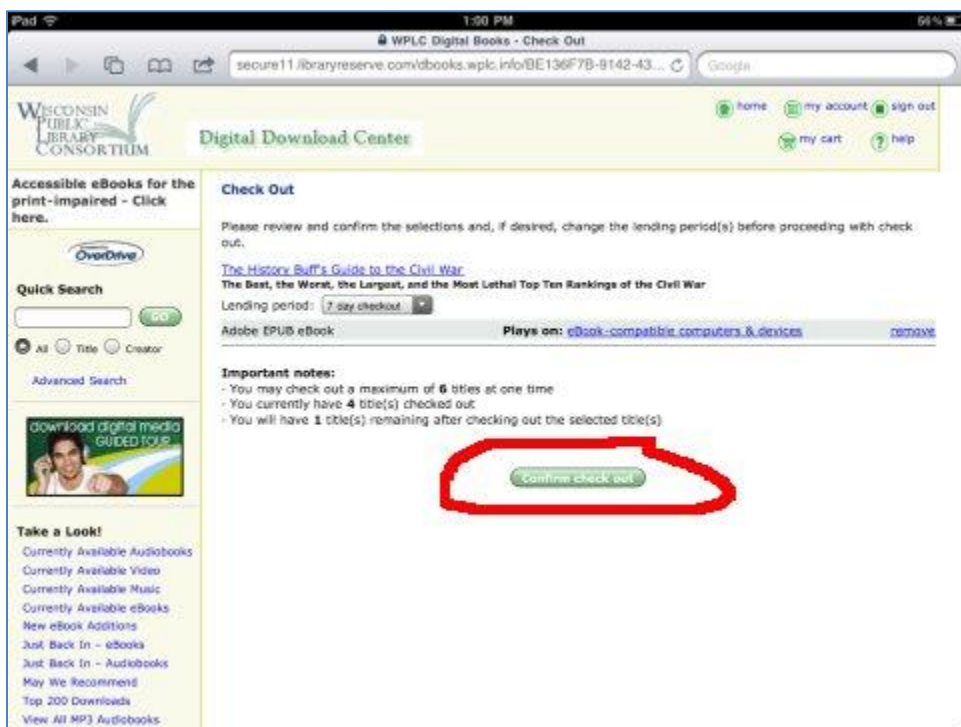

17) Select the **Indianhead Federated Public Library**. This will work for all MORE Library Consortium library card holders.

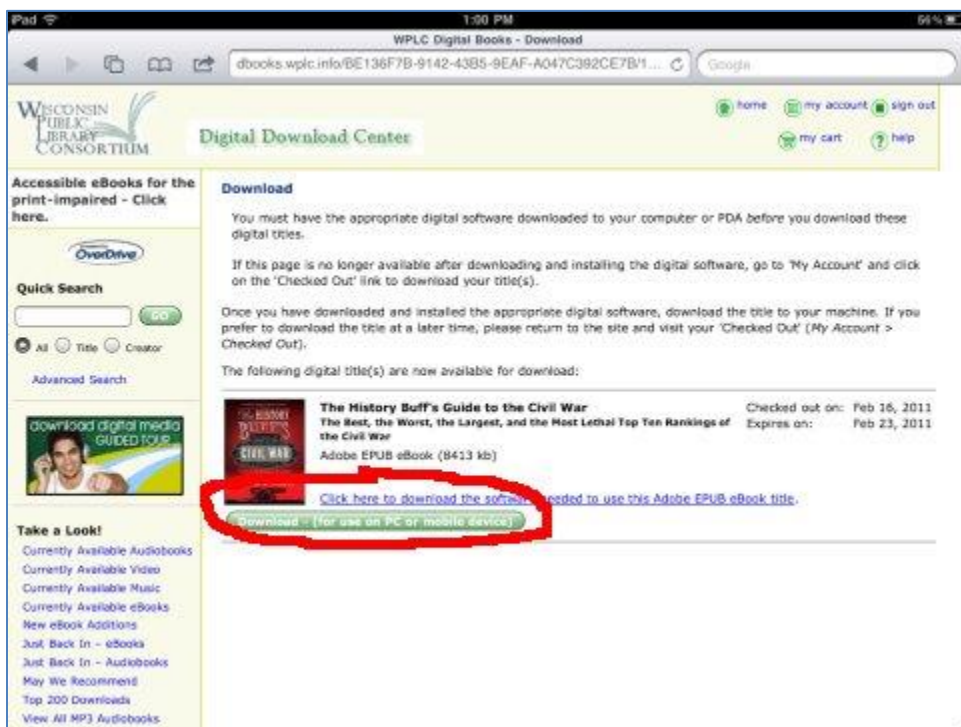

8) Enter your **library card number**, then tap **Login**. You must have an up-to-date MORE library card with less than \$10.00 in fines to check-out.

19) After a few moments, you will be back in your cart. Click on **Confirm Check out.**

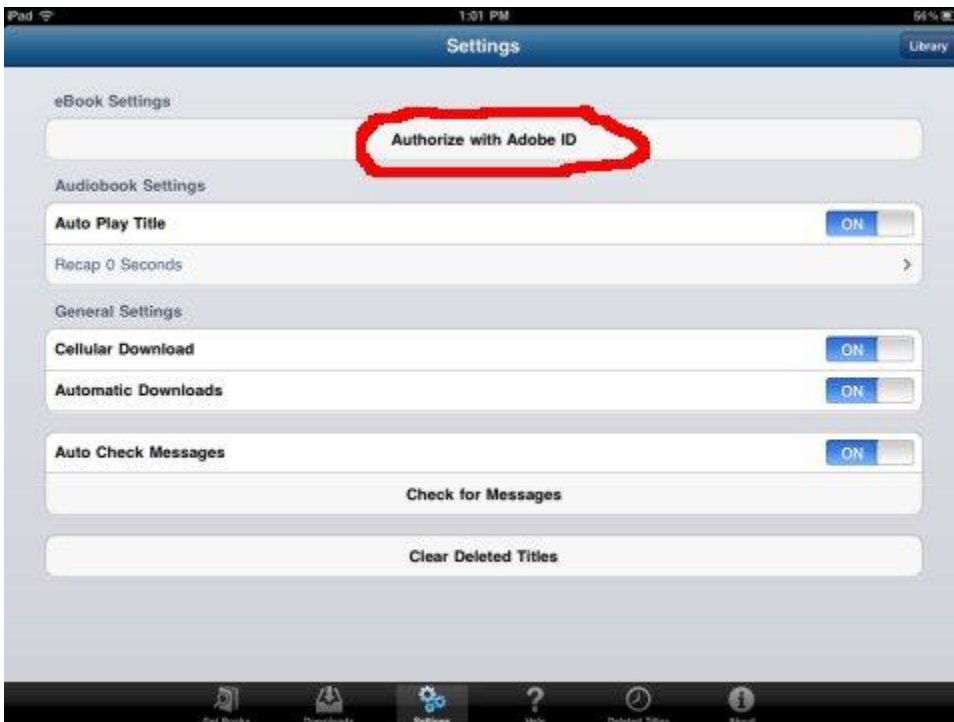

20) Tap on **Download.**

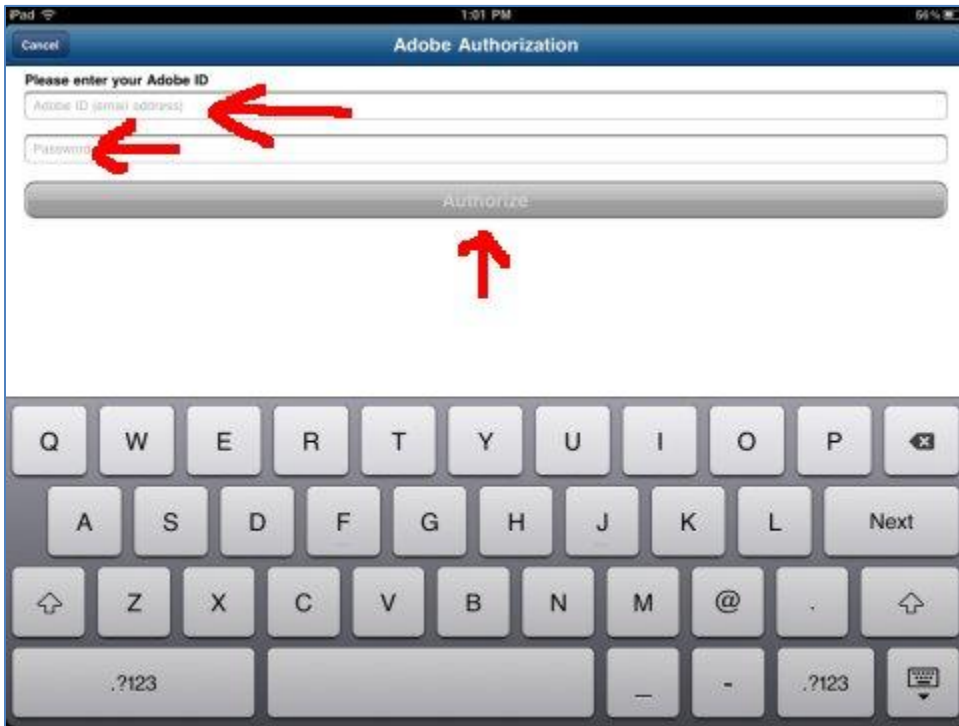

21) You will need to sign in to your Adobe ID account. Tap on **Sign In**. (If you need help creating an Adobe ID, [click here for instructions.](#))

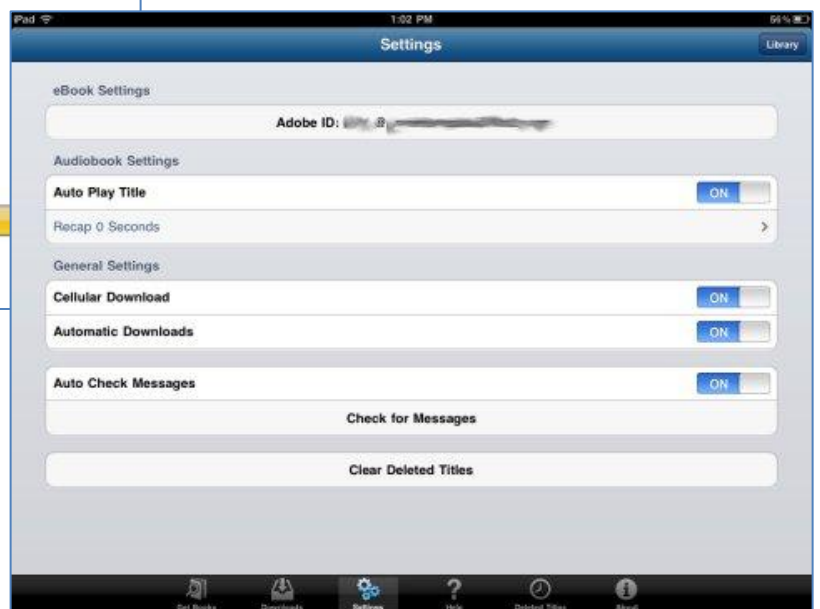

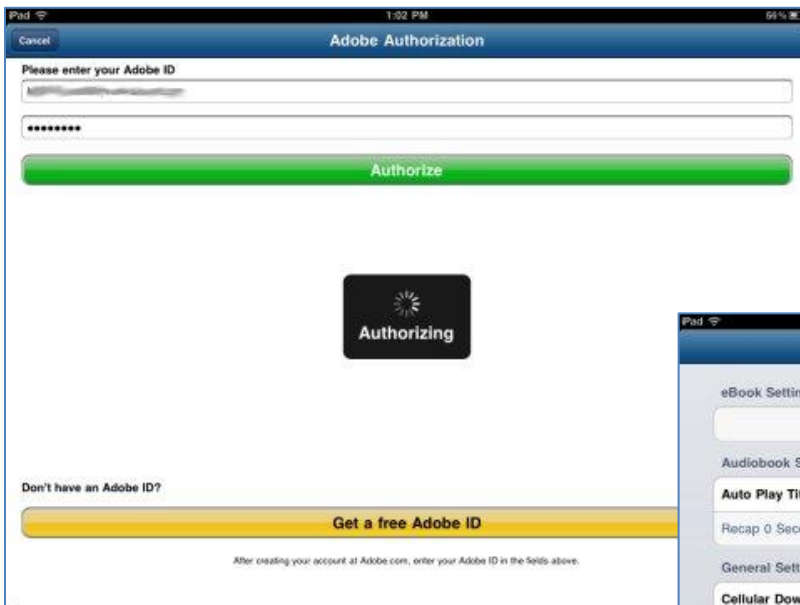

22) This will bring you to Settings. Tap on **Authorize with Adobe ID**.

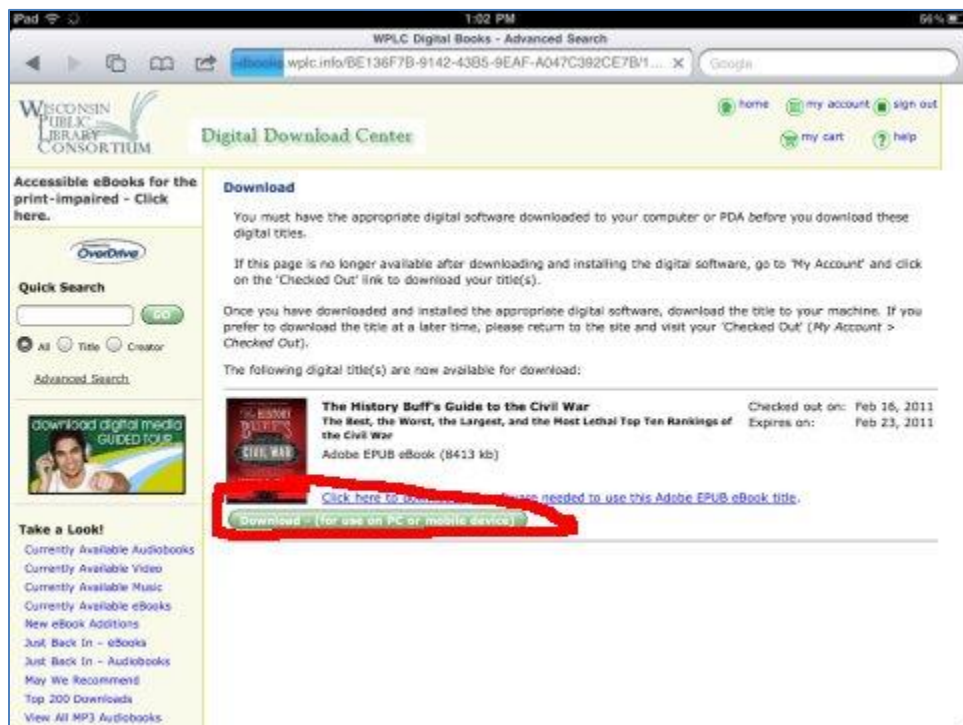

23) Enter your Adobe ID (usually an email address) and your Adobe ID password, then tap **Authorize**.

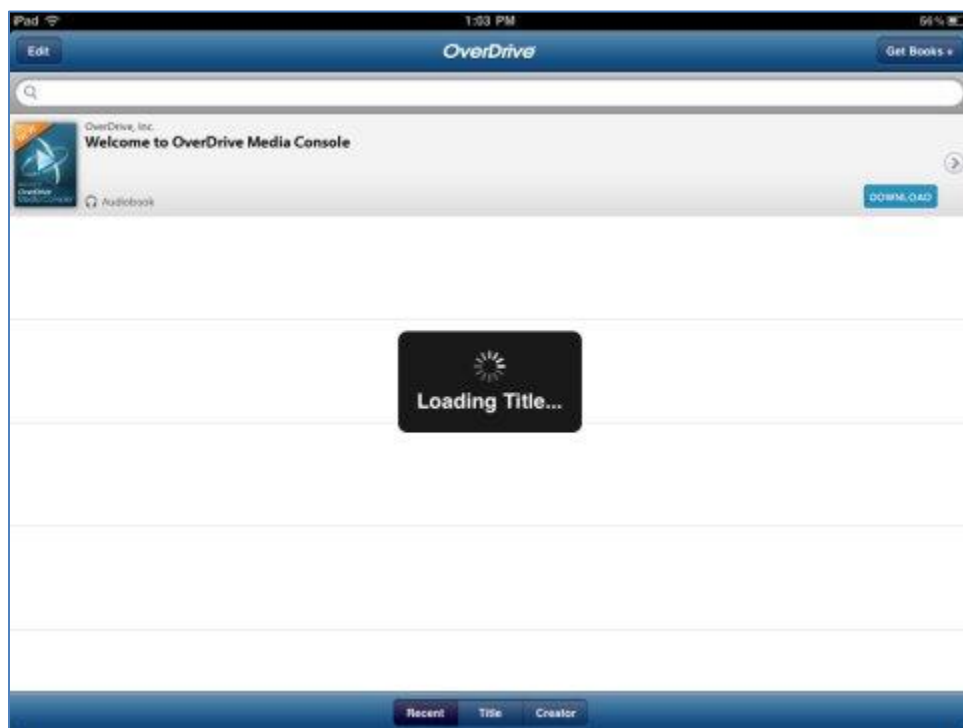

24) After a few moments, your account will be authorized. You will see your Adobe ID under the ebook Settings.

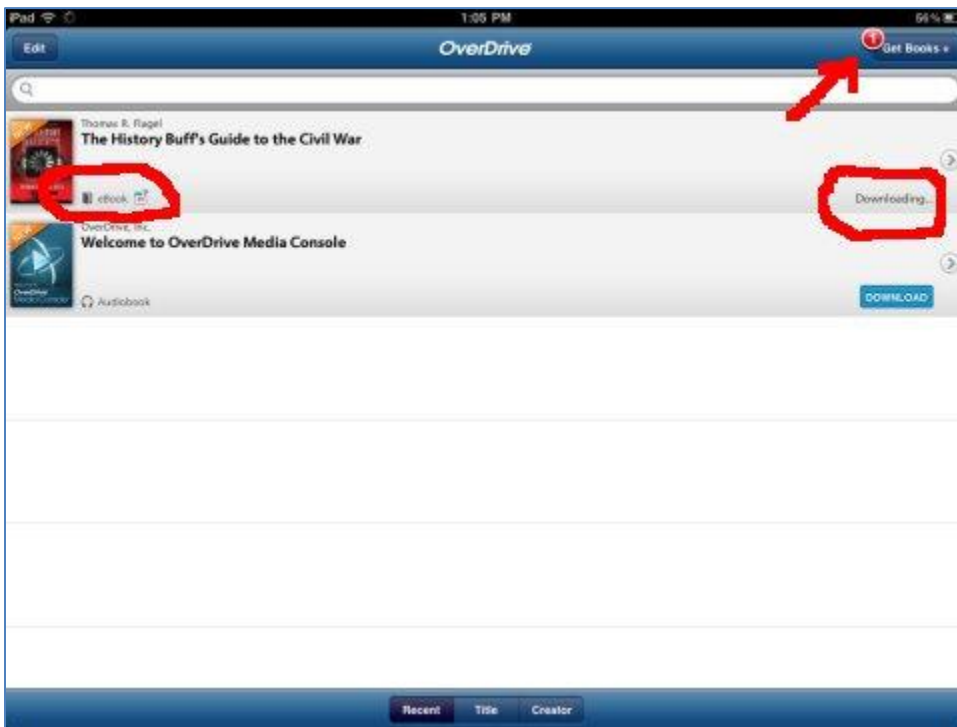

25) Open your web browser (such as Safari) to return to the Wisconsin Public Library Consortium Digital Downloads. Tap **Download**.

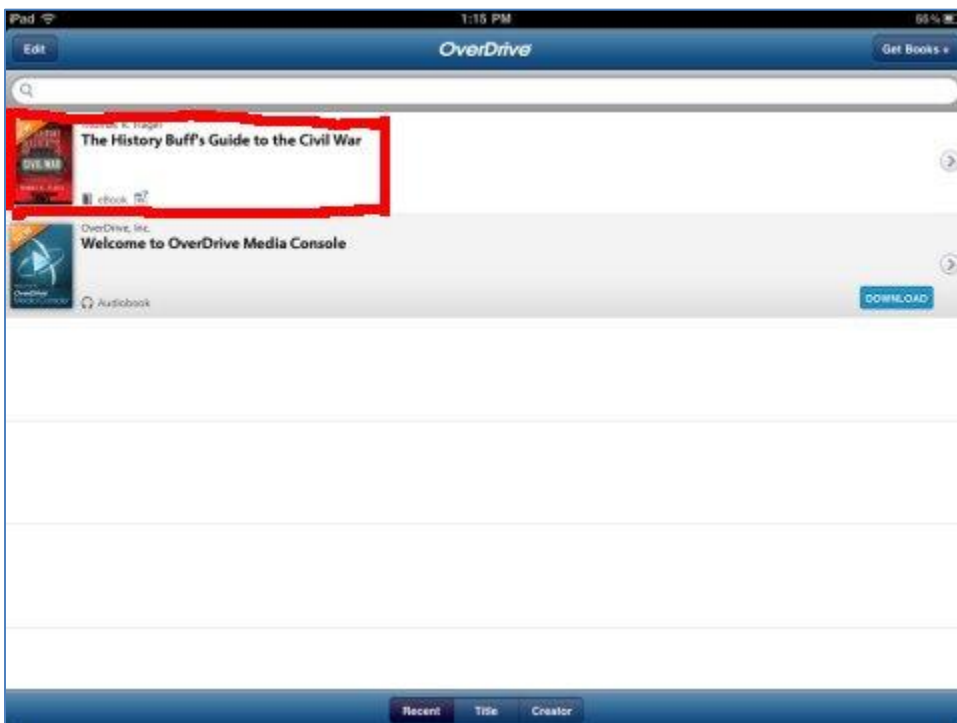

26) Your title will begin to load.

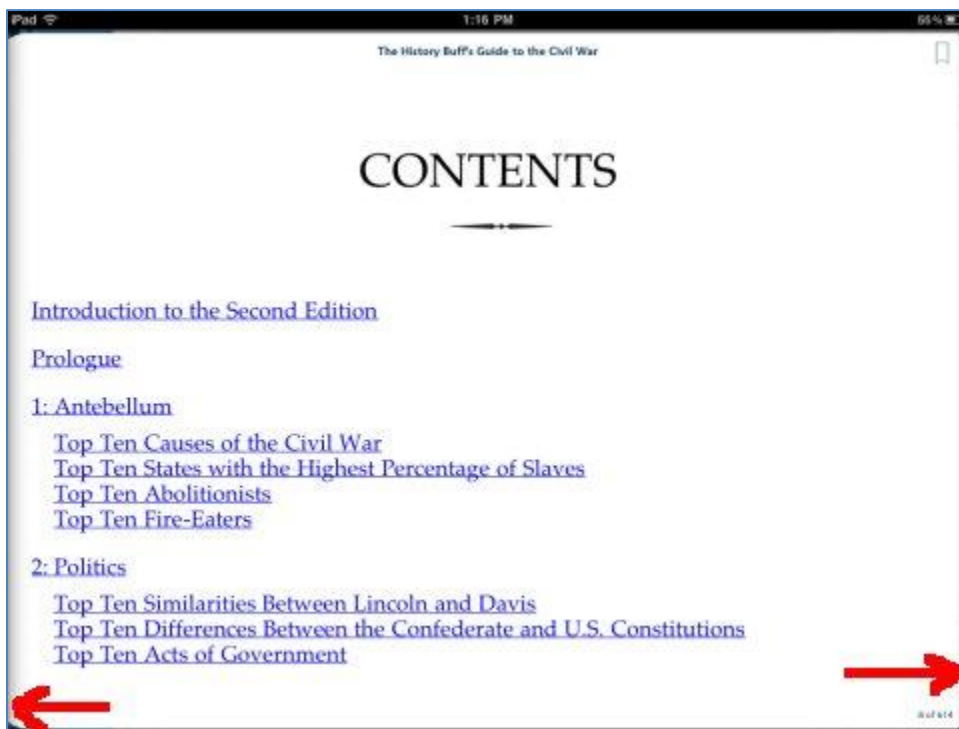

27) After a few moments, your ebook will be downloaded.

28) Tap the title to begin reading your ebook.  
In this example, the ebook has a 7 day check-out.

29) You can turn the pages of your ebook by sliding to the left or right.

30) You can adjust the setting, such as font size, with the little settings icons on the top of the page.
