

## How to install Overdrive on your Mac

1) Go to the Wisconsin Public Library Consortium (WPLC) Digital Downloads web site.  
<http://dbooks.wplc.info> On the bottom right under Software, click on OverDrive Media Console.

### Software

OverDrive® Media Console

Key Quick Reference Sheet

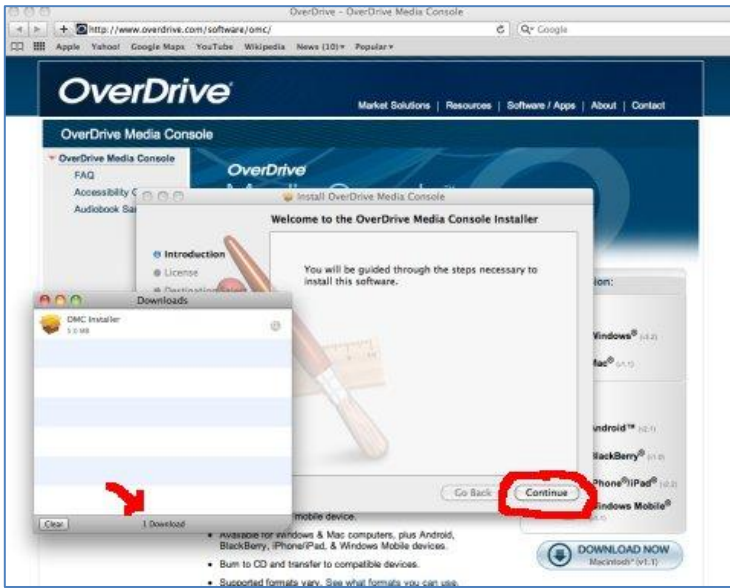

2) Select the Mac version and then click on **Download Now**.

3) The download will start. Depending on your connection speed, it may take several minutes to download. Be patient and wait for the download to complete.

4) In the Welcome to the OverDrive Media Console Installer box, click on **Continue**.

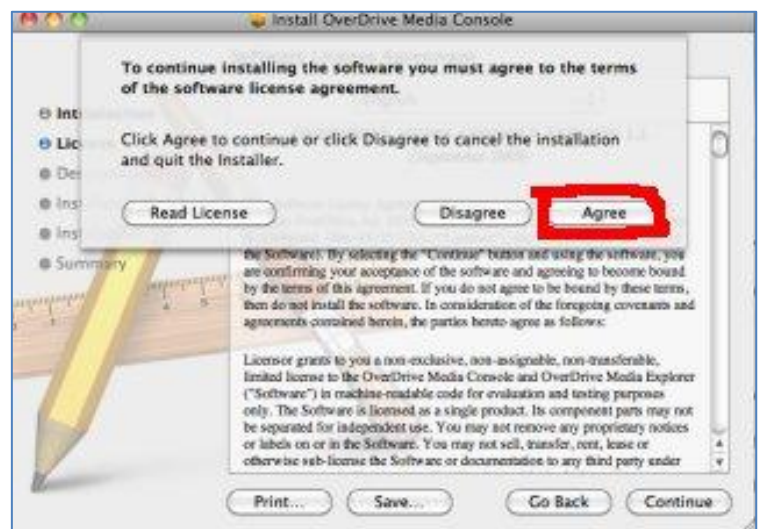

5) Click on **Continue**.

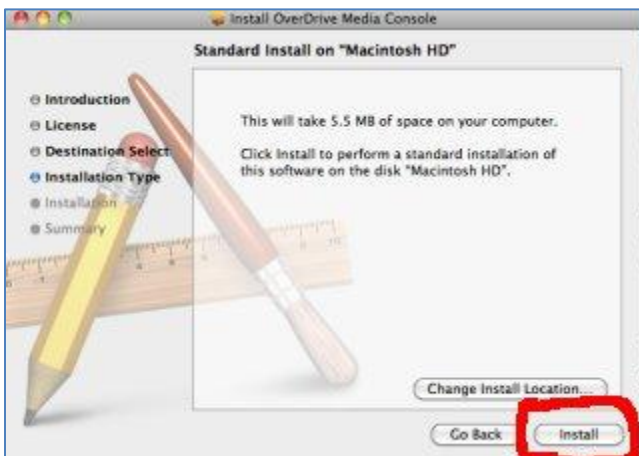

6) Click on **Continue** again.

7) You will be prompted to agree to the software license. Click on **Agree**.  
(You may want to read the license agreement before you agree.)

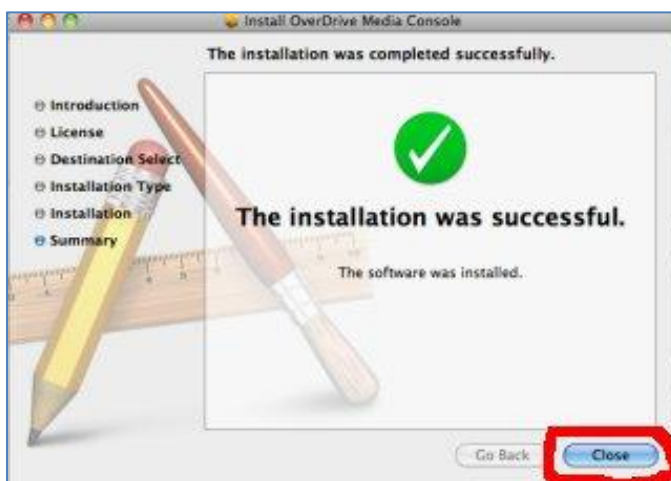

8) Click on **Install** again.

9) Enter your user name and password, then click **OK**.

10) When the installation is complete, click on **Close**.

11) OverDrive Media Console is installed and ready to use. You will see the icon below in your Apps and/or on your Dock.
